

# Welcome

---

A warm welcome to the BCIE Ltd family – if you want to study abroad then come along to one of our offices. We will help you gain admission to one of our global network of universities in the UK, Australia or USA.

In case you have any worries – we are here to help you overcome any obstacle which may be in your way:

We will advise you impartially as to the best university for you. All depends on your own ambition and dreams – but the BCIE Ltd Team is here to make your “study abroad” dreams – come true.

We will also advise you as to the cultural, educational and financial differences between the UK, Australia and the USA. It’s not an easy decision these days – but we will give you all the up-to-date information you will need including:

- University rankings
- Differences in tuition fees
- The cost of living in different countries
- The availability of academic scholarships
- Cultural differences
- Your right to work whilst you study
- The visa and interview process

Finally the best bit – our advice is free! So don't worry about our fees – there are none!!

# Why the UK is a better study destination for international students

---

The UK is an attractive study destination for students from all over the world, with hundreds of educational institutions in the UK, and almost every single one of them has opportunities for international students to study there. Degrees and qualifications from UK higher education institutions are known around the world as high quality and world class. In today's world economy, you need specific skills and qualities to be able to succeed in your field. Employers want high quality employees who meet their specific requirements, including practical applied skills which many courses offer. Going to university in the UK is a great way to expand your knowledge, meet new people, experience a new culture, and enjoy new experiences. You'll get plenty of support at university, and a chance to experience a great student lifestyle. Whatever

your interests, there's a huge range of associations and societies, as well as a diverse social life on offer. The UK offers large cosmopolitan cities, towns, and countryside villages. The UK has a multicultural society, with a rich diversity of cultures, and languages. You'll find widely varied cuisine, strong transport links, famous festivals, and international sporting championships.

# What our students say about BCIE Ltd

---

**ADEGBOYE-AYELE PAULINE**  
Nigeria, Robert Gordon University

"BCIE is an organization I would always recommend for future students planning to study abroad. During my application process, the staff showed themselves as nice and friendly people despite my pesky attitude. I'm happy to have passed through Opebi Office of the organisation."

**ANTHONY OLADAPO ADEBAYO**  
Nigeria, Coventry University

"Prior to coming across BCIE, I was lost several times while attempting to apply to schools abroad on my own. My first contact with BCIE placed my application back on track! The staff are amazingly friendly and my school representative was particularly helpful. From application stage to securing visa, everybody was ready to render help and answer any questions as I asked them. I therefore recommend BCIE to anyone ready to study abroad because the staff make it very easy and seamless."

## **Southern New Hampshire University**

"Southern New Hampshire University has a great longstanding relationship with BCIE. We enjoy the full support of the BCIE staff that work very professionally and dedicated in their counseling of prospective students to the university. By sharing their great expertise, BCIE continuously helps us improve our efforts in the African market and increase the intake of students coming to Southern New Hampshire University."

### **Thomas Grubach**

Director of International Recruitment

## **University of Hull**

"The University of Hull and BCIE have worked in partnership for over 10 years. During this time BCIE have helped many students realise their dream of studying in the UK with us at the University of Hull. The professional and efficient service they offer takes away the stress of applying to UK Universities. The University of Hull and BCIE work very closely to ensure that you always know what stage your application is at and enables us to offer the greatest support possible whilst you apply for your visa to study in the UK."

## Griffith University

"Having a close partnership with our agent network is essential to ensure future students receive thorough counselling, apply for programs to match their needs, and understand the requirements to successfully enrol into Griffith. Our partnership with BCIE typifies this dedication to professionalism as we work together to help students make the right choices and realise their future goals. BCIE counsellors have a deep understanding of Griffith programs and none more so than Amaka Egbe, Griffith's Representative at BCIE Lagos, who has made the journey twice to our beautiful Brisbane and Gold Coast campuses for training."

### Stephen Lewin

## University of Wollongong

"BCIE are an official University of Wollongong partner and have consistently demonstrated professionalism, ethics and an excellent knowledge of the Australian higher education sector. BCIE is focused on excellence in providing personalised counselling and student visa services for future international students. This focus of excellence aligns itself well with the University of Wollongong's reputation as a world class university. UOW looks forward to continue a close working relationship with BCIE in 2018 and beyond and look forward to welcoming students to the University of Wollongong Australia."

"I am delighted that the University of Southampton and BCIE continue to have a positive working relationship after many years of working together. The BCIE offices in Ghana, Nigeria and Pakistan are professional, welcoming environments with friendly and knowledgeable staff – all of whom can demonstrate the far-reaching benefits of a UK education to students and their families. It is testament to the support provided to our prospective students throughout the university and visa application process that we continue to work closely together and remain happy to refer students for assistance."

**Melissa Gibson**  
Regional Director  
University of  
Southampton

"Bond University has been working with BCIE for a number of years across their offices in Ghana and Nigeria. Their friendly and supportive staff are not only a joy to see on visits to these countries, but it is comforting to know that students get to meet their warm staff when looking for advice on where to study. BCIE, just like Bond University wants to see more students from Africa have the opportunity of studying at a prestigious university like Bond. We look forward to working with BCIE again in 2019 and seeing more students come to our campus on the Gold Coast, Australia."

# The University of Chester

The University of Chester is one of the oldest providers of higher education in the country, with our academic roots stretching back to the early 19th century. Founded in 1839, we pre-date all but a handful of other English higher education providers.

We work hard to offer a life-transforming experience to our students in a creative, caring and encouraging environment.

Across our specialist sites, we also maintain vibrant relationships with the local, national and international community, using the power of teaching, learning and research to make distinctive contributions to business, industry, the arts, media, science, health and the public services.

For our students, employability lies at the heart of our offering, and we are committed to providing you with an unforgettable experience and a world-class education.

Throughout our 178-year history, we have always been proud of our traditions and of our concern for the individual, as well as our ability to keep pace with the demands of a constantly changing world. Now, as a forward-looking University, we continue to grow in esteem and popularity.

In choosing Chester, you will be selecting an institution with a strong learning tradition that will challenge you to give the best of yourself in your academic work, sport and recreation, and your contribution to our student community. We want to ensure that you can take advantage of the unique opportunities we have to offer both inside and outside of your studies. In doing this, we will work with you to become a unique and highly employable graduate, whilst providing you with one of the best experiences of your life.

# Why Australia is a better study destination for international students

---

If you want a great university experience, then look no further than Australia.

## Safety and Lifestyle

Australia is one of the safest places in the world to live, work and study. The locals are friendly, and the multicultural vibe means you'll instantly feel at home here. We're proud to be home of the world's most liveable city<sup>1</sup> (Melbourne), which is also the happiest city in the world!<sup>2</sup>

## Quality Education

Australia is home to seven of the world's top 100 universities<sup>3</sup> and eight of the top 100 for graduate employability<sup>4</sup>. Universities in Australia focus on combining quality teaching and learning, with practical experiences and internships while you study.

## States Worth Exploring

To name a few... Melbourne is the sporting capital of Australia, and a

hub for food and culture. The Great Barrier Reef, in Queensland, is one of the seven natural wonders of the world. Sydney is home to the Opera House - one of the most beautiful and famous buildings to visit. Canberra is the political state and capital of Australia. And, the Northern Territory is the best way to discover Australia's cultural history.
